

May 2008

Hello! Let me introduce myself. My name is Luke William Klapak. I joined this lovely world at 6:03 pm on April 18th, after 12 hours of active labor. I weighed in at 7 lb. 13 oz. and was 21 inches long. I know that many of you were praying for me and my mommy and daddy could really tell. I had a few complications but they worked out just fine and I was born naturally with no drugs!

Things have been going pretty smoothly in the 2 weeks I have been here. I am only waking my mommy up one time in the night and I know she is pretty thankful! My Grandmas and Grandpas love me and they love giving my mommy and daddy a little break in the evening. Overall, I would say things are going very well for us.

My daddy goes to work during the day. He goes to cook for all the school groups that come for something called Outdoor Education. He also gets to take the kids up the Mountain behind our house for a hike to the fossil beds. I think he likes it a lot since he is always bringing fossils home to show mommy. He is also getting ready for a very busy summer with all of the campers. They will arrive for their first week of camp June 9th.

We love living here at Victory Bible Camp and are so thankful for all of you who make it possible. My mommy and daddy appreciate all of your prayers and financial support. We are currently at 36% of our monthly income. For us to continue to be here we do need to increase our financial support. If you would like to help in this way, gifts can be made out to Victory Ministries and sent to: 64741 S. Victory Rd., Sutton, AK 99674. Also, if you know of individuals or churches who are interested in our work in Alaska please let us know.

Please pray for:

- *Daddy's transition to summer cooking
- *Our financial support to come in
- *Mommy and me to settle into our new routine
- *Hearts of campers as they prepare to come to camp

Praise God for:

- *A healthy delivery for mommy and me
- *God providing a local church to support us

I will continue to keep you updated on our family and our work here.

Love,

L u k e
