- **You maintain control** over your giving just as if you were writing a check. At any time you can change your donation amount or preference, change bank accounts or cancel your donation by simply sending written notice to **Victory Ministries**.
- **You save money** on postage, checks and envelopes because your gift is transferred automatically.
- **You save time** because your donation is automatically transferred each month.
- **You eliminate worry** over delayed, lost or stolen checks. Your gift arrives safely each month, even when you are out of town or on vacation.
- **Signing up** for Electronic Funds Transfer is **simple**:
  1. Complete and sign the **authorization form** below.
  2. Enclose a **blank voided check** so we can get accurate account information.
